

Introducing Campus Delivery from Grubhub

Give your students their favorite
on-campus dining options
delivered straight to their door

How your campus benefits

Delivery at no cost to you

Set up on-campus restaurant delivery at zero cost to you, students simply pay a small fee when they order.

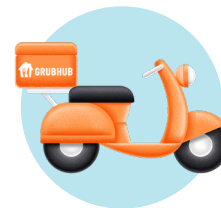

Easy to order

Students still order through Grubhub Campus, keeping their experience streamlined

Customize for your campus

Easily integrate your system with Grubhub to ensure it's set up exactly the way you need, including marking pick up or delivery on order tickets to help properly stage the meals.

Three ways to get started

Whether you have your own fleet of drivers, would like to use Grubhub drivers, or are interested in using robotics, we have a delivery solution for you.
