GRUBHUB CAMPUS

The ultimate mobile ordering solution

Grubhub Ultimate allows students to safely place an order in-store or on their device without waiting in line.

Boost profitability
Increase order sizes by an average of 10%

Streamline operations
Reduce overhead costs (labor, hardware, etc.) and repurpose employees to increase food production
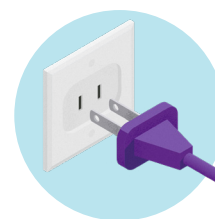

Mobile-first concept
Reduces lines and waiting, keeping students and staff safe.

Replace expensive, outdated POS systems
Grubhub Ultimate is faster and more efficient than traditional POS systems

Simple installation
Choose a custom setup to match the restaurant's branding—whether it's a countertop, wall mount or floor stand. All you need to power the kiosk is a 120V outlet and an internet connection.

What Grubhub Ultimate has to offer

⭐ **Sleek and modern design**
Enjoy a user-friendly visual menu with smart upsell and cross sell capabilities

⭐ **Robust security features**
Grubhub Ultimate features a robust and secure frame with custom tamper-proof screws. Card handling is fully compliant with PCI regulations and has end-to-end encryption.

⭐ **Flexible payment options**
Campus cards, credit cards, debit cards and mobile wallet can all be used with Grubhub Ultimate.

⭐ **Easy-to-use system upgrades**
Our system fully integrates with the Grubhub Mobile App. For back-of-house we offer Grubhub TV, large screen displays to show order queue, Kitchen Printers and Kitchen Display System (KDS)

> **Without Ultimate, we would have had a line across the commons of people trying to pick up pizzas every night. Ultimate allowed us to keep up with the level of customer service our students expect and convert to a 100% pickup model."**
